**WELCOME TO THE 21ST CENTURY!**

In an ongoing effort to keep up with the ever changing times in which we live, we are attempting to convert our processes to a methods more efficient, less time consuming, and cost effective. Please help us to help you by sending us an E-mail at [david@choicefamily.com](mailto:david@choicefamily.com) inclusive of your name and company name so that we can successfully reach our goals. Once we receive an E-mail from you we will be able to enter said E-mail data into our system.

Once this phase is complete we will be E-mailing bulletins, updates, and notices. For those of you who are not equipped to receive E-mail, rest assured that bulletins, updates and notices will continue to be sent via US Postal Service.

If you should have any questions or comments please contact myself or Milton Valerio for further edification.
